

REMARKS

Claims 2 through 4 are pending in this Application. Accompanying this Response, Applicants have submitted a Terminal Disclaimer under 37 CFR § 1.321(c) with respect to U.S. Patent Application No. 10/779,517 ("the '517 Application").

In the November 21, 2005 Office Action, the Examiner provisionally rejected Claims 2-4 on the grounds of non-statutory obviousness-type double patenting based on Claims 1, 3, 5 and 6 of the co-pending '517 Application in view of U.S. Patent No. 6,360,208 ("the '208 Patent").

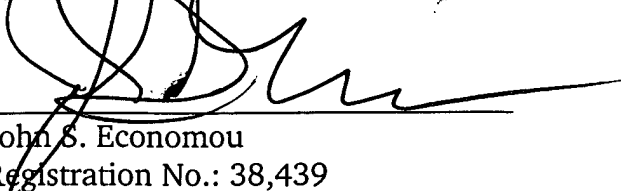

The Terminal Disclaimer filed herewith should overcome the Examiner's double patenting rejection of Claims 2-4. Applicants submit that this application is now in condition for allowance, and respectfully request such action.

An Amster, Rothstein & Ebenstein check in the amount of \$125 is enclosed to cover the small-entity fee of \$65 for filing the Terminal Disclaimer under 37 CFR § 1.20(d) and the small-entity fee of \$60 for a one-month extension of time. No other fees are believed to be due for the entry of this Response. However, if further fees are due, please debit Deposit Account No. 01-1785.

Respectfully submitted
